Work Experience

Freelance
Composer

Denton, TX
2024 - Present

- Composed 13 works for various mediums and genres, including instrumental and electroacoustic concert music, film music, and commercial music, receiving multiple performances annually
- Produced and designed music and audio for *Paths*, a short horror film, syncing voice, music, and sound effects to film and designing sound to heighten dramatic impact on audiences
- Coordinated and recruited performers for several performances and readings of own works, scheduling and leading rehearsals, distributing parts and materials through Google Drive, and communicating with performers through multiple channels

Leadership Experience

University of North Texas Composers Forum
Undergraduate Vice President

Denton, TX
2025 - Present

- Met weekly with the student body of the Composition Division at UNT to discuss and plan events, concerts, and masterclasses for student development within the Composition Division
- Communicated concerns between students to the Dean of the College of Music in monthly meetings, addressing issues including student parking, concerns with aging facilities, and budget increases for visiting artists
- Promoted interdisciplinary collaboration through collaborative events like Lumia Musica, a two-week collaborative event between visual artists from the College of Visual Arts and Design and composers from the College of Music

Azure Quintet
Chamber Ensemble Manager

Denton, TX
2024 - Present

- Managed logistics for weekly rehearsals, including scheduling and reserving rehearsal spaces
- Communicated as a liaison between the ensemble and faculty to set up performances
- Organized a community outreach performance at Central Elementary School in Dallas ISD
